

Information about a Birthday Party

The Long Island Live Steamers can provide tables on some of their Public Run Days for small to middle size parties. Reservations MUST be made in advance. The following are guidelines for a party:

Parties are scheduled for a 2 hour period starting at either at 10:30 or 1:00. The Party host may have access to their table(s) 15 minutes before the scheduled party time to prepare for the party.

Tables can seat 10 adults; proportionately more children. The number of tables you reserve is up to you, but no party may reserve more than 4 tables, nor have more than a total of 50 people (children and adults). That total number of people you specified at the time of booking is the maximum number of people you may have at your party.

Each person in your party will be issued a “ticket” to wear entitling them to unlimited rides on the Groundline (only) trains during the duration of the party (subject to the safety rules and operational conditions.) You need to have adults from your party with the children when they are riding. The members of your party must leave the train at the end of each ride and stand on line for the next ride. We generally have 4 to 7 trains running to make the trains as available as possible.

General Safety Rules: No running. A child must be old enough to walk to ride the Groundline trains. On the trains, feet must be kept on the running board at all times. Keep hands inside the train. Sit still on the train - do not rock or wiggle the cars. Please do not take pictures or videos while the train is in motion. We ask that pregnant women refrain from riding.

You are responsible for any refreshments you might wish to provide members of your party. And you are responsible for cleaning your table area.

You must have a “Plan B” in case of rain. While we may operate trains in a light mist or drizzle, we are unable to run in sustained rain. We are unable to provide Rain Dates.

Cost: We are an all volunteer organization and are only able to build and operate this facility through the generosity of the general public. In order to assist us in this work, we would like to suggest that you consider a donation of \$150.00 for the First Table and \$50.00 for each additional Table.

For additional information or to make reservations, please call 631-345-0499 and leave a message with a contact number and best time to return the call.
